Weddings at The Royal Yacht

Welcome

“This was the marriage we had
always imagined... but better thanks
to everyone at The Royal Yacht.”

Your wedding, your way

The Royal Yacht is one of Jersey's best loved luxury hotels. Our award-winning hotel and spa, located in the heart of St Helier, offers an extensive range of facilities and an exceptional level of service.

At The Royal Yacht, we turn the dreams you have for your wedding day into a reality. Our bespoke approach gives you the freedom to customise your wedding day, making it truly memorable and unique. We are fully licensed for civil ceremonies or receptions, so you are able to have all or part of your wedding here. And as it's our policy never to hold more than one wedding in a day, all our attention will be focused on making your day extra special.

Our stylish and modern hotel features an award-winning spa and three restaurants, all of which can contribute to your perfect wedding day. Our hotel staff offer a personalised and expert approach, providing first-class service with meticulous attention to detail.

We can even host your hen and stag parties, with a range of activities on offer, such as our very popular cocktail masterclasses or wine tasting.

Getting married in Jersey

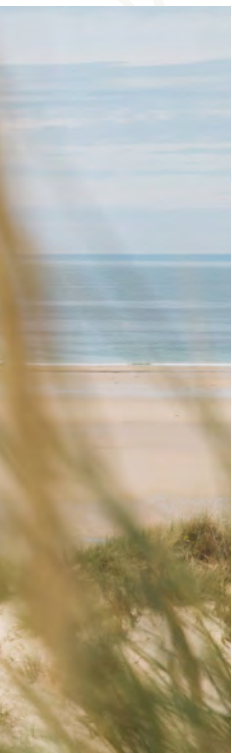

Experience pure tranquillity in Jersey. Our nine-by-five-mile island was voted the best in the British Isles, with award-winning beaches, picturesque country lanes, and a serene harbour.

A haven for food enthusiasts, Jersey boasts an abundance of top-quality restaurants and fresh local produce.

Jersey is the ideal destination for an island wedding as it's within easy reach of many of the UK and European airports, as well as a ferry service which runs between both the UK mainland and France.

A wedding is one of life's most highly-anticipated events, so we want to make the lead up to it as fun and stress-free as possible.

“From the very first contact with the hotel staff and wedding planner, we had exceptional service.”

Your personal wedding planner

Our highly experienced team will be on hand to make sure your day is one that you'll cherish forever.

We offer a free wedding planning service with a very hands-on approach. We are proud of our inexhaustible knowledge of everything nuptial, from the little details that are often overlooked to huge concepts, such as flamboyant themes or entertainment and design.

We understand that organising a wedding can be overwhelming. A wedding is one of life's most highly-anticipated events, so we want to make the lead up to it as fun and stress-free as possible. Following a thorough discussion with you, we will put together a detailed proposal for the day, keeping you updated with progress so that you can make any changes at any time. The proposal will include estimated costs right from the beginning, so that you can be certain that there are no hidden expenses.

No ideas are too big or too small at The Royal Yacht. And with no restrictive menus, our chef can create a bespoke menu exclusively for your wedding with a tasting offered beforehand. As every wedding is unique, requiring flexibility, organisation and time, our dedicated staff, versatile venues and magnificent food will ensure your wedding day truly runs smoothly.

“The day was beyond expectation!”

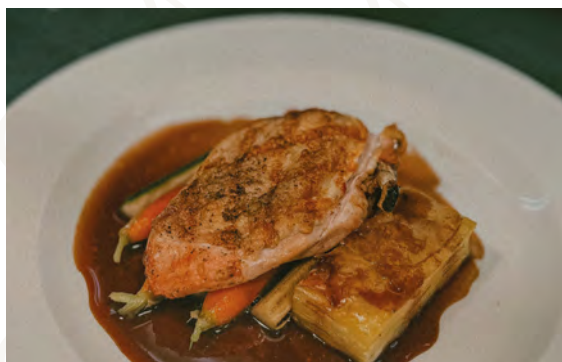

The flavour of love

Inaka Weerasinghe, our Executive Head Chef at Café Zephyr, brings an exceptional culinary heritage to The Royal Yacht. After relocating from Sri Lanka to England in 1991, he infused Café Zephyr with his signature blend of vibrant and subtle Asian flavours. With over seventeen years of experience, he has masterfully honed his skills across Australasian, Thai, Japanese, and Mediterranean cuisines—under the guidance of culinary greats such as John Torode (Conran Group), Colin Clague, Ken Hom, and Mark Gregory. Inaka further refined his craft at the Grove Hotel, catering to elite clientele including the world’s top 40 golfers and legends like Martin Johnson and Jonah Lomu. After a spell in Dubai, he returned to The Royal Yacht in 2018 as Executive Head Chef.

Celebrating local and finest ingredients

Our menus are grounded in a deep respect for the finest ingredients and local producers. Chef Inaka is particularly passionate about Jersey’s seafood—from oysters and scallops to crab and lobster—which arrive almost doorstep-fresh thanks to our proximity to local trawlers. Combined with the island’s unique tidal and environmental conditions, these ingredients elevate every dish with unmatched quality and taste. Wherever possible, we champion seasonal, local produce—ensuring that each dish served is as fresh, sustainable, and authentic as it is exquisite.

Included tasting experience

Choosing The Royal Yacht for your wedding means more than just an elegant backdrop—it's a culinary journey you get to begin early. All of our wedding packages include a private food tasting, allowing you to sample and refine your menu in advance. It's the perfect opportunity to ensure every savoury note on your wedding day is absolutely perfect.

A culinary journey from canapés to midnight treats

Whether it's elegant canapés to greet your guests, a refined wedding breakfast, or a tempting post-disco midnight snack, our culinary team has you covered. From first course to final bite, expect thoughtful, beautifully executed dishes tailored to each moment of your celebration. Please ask your wedding co-ordinator for our most up-to-date menus—they're carefully crafted and frequently updated to reflect the best of the season and chef's inspiration.

Beauty and relaxation

Our award-winning Spa Sirene is the perfect place for some pampering in the lead up to your big day.

With expert therapists on hand to provide luxurious and effective treatments and restore balance to your mind and body.

Choose from a range of pampering packages, or simply relax in our heated vitality pool, Swedish sauna, aromatherapy steam room or experience showers.

We are also able to put you in touch with an assortment of beauty therapists, hairdressers and make-up artists to assist you in the preparations on the big day.

Pre and post parties

When you are the main event, it can sometimes be difficult to spend quality time with friends and family at a wedding. That's why pre or post wedding lunches or dinners are a great idea for a more private get-together, either the day before or after.

“Great location, great food and facilities and excellent customer service.”

Before your big day, we can arrange an intimate meal for the Bridal party; a ceremony practice to calm nerves for the following day; or perhaps a meal at which both sides of the family can meet for the first time in the lead up to the wedding.

We can even cater your hen or stag do! If you're stuck for ideas, our experienced team can help you out with activities or game ideas. Why not try our cocktail masterclass? For a more sophisticated affair, you can host an intimate dinner in our popular Wine Cellar. Or perhaps a pampering spa day followed by dinner in The Zephyr and dancing through the night at The Drift?

And finally...

Your dream wedding day awaits you at The Royal Yacht. We look forward to discussing all the details of your big day and giving you a champagne tour around the venue.

If you live outside of Jersey, we will give you free accommodation* for one night when you meet with a member of our events team for a wedding show-around at a time convenient for you.

Please call +44 (0)1534 720511 or email events@theroyalyacht.com to arrange your visit.
